**ARTICULATION AGREEMENT  
BETWEEN  
MOBERLY AREA COMMUNITY COLLEGE  
AND  
CENTRAL METHODIST UNIVERSITY**  
*Associate Degree in Nursing  
Bachelor of Science in Nursing*

**OVERVIEW:**

This formal program articulation agreement is made and entered into by Central Methodist University, hereinafter referred to as CMU, and Moberly Area Community College, Moberly, Missouri, hereinafter referred to as MACC. By this agreement MACC and CMU express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures which assure articulation between programs, the institutions seek to assist students in making a seamless transfer from the associate to the baccalaureate degree.

**PURPOSE:**

This agreement provides students who have earned an Associate Degree in Nursing the opportunity to obtain a Bachelor of Science in Nursing at CMU. Any MACC student who has earned an Associate Degree in Nursing is guaranteed that CMU will accept designated freshman and sophomore credits and will apply such to a Bachelor of Science in Nursing degree in a manner consistent with the treatment of native students.

**CONDITIONS OF TRANSFER:**

**Section I: Admissions and Matriculation**

Students may be admitted to the Bachelor of Science in Nursing program at CMU at the same time they are admitted to the Associate Degree in Nursing program at MACC, or by the end of their first academic year, in order to take advantage of the following program plan. This includes the opportunity to complete both degrees in approximately three years, and receive free tuition and fees for their first two courses from CMU: NU300 Adaptation Framework and NU315 APA Format and Research Databases.

MACC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as CMU native students enrolled under a specific catalog. Criteria for admissions will be based on the catalog year the student enters MACC.

Criteria for acceptance into CMU for transfer students are based upon their past academic performance and the admissions requirements for the Bachelor of Science in Nursing degree.

MACC, upon request of students, will provide verification of completed courses to CMU through its Admissions Office.

The transcripts of students transferring from MACC will be evaluated by the Admissions Office.

Transfer students from MACC will have access to financial aid and student services on the same basis as native students.

Minimum grade standards for academic progress and graduation from MACC will be subject to no further review by CMU. Similarly, minimum grade standards for admission, academic progress, and graduation from CMU will not be subject to review by MACC. CMU will apply the same academic progress and graduation standards to MACC transfer students as those applicable to native students at CMU.

#### **Section II: Transfer of Credit**

A maximum of 84 credit hours will be accepted by CMU from MACC to be applied to the Bachelor of Science in Nursing degree. Students must complete 30 of the last 36 hours of courses in residence at CMU.

Minimum number of credits required for baccalaureate degree: 36 upper divisional credits  
Total number of credit hours required for baccalaureate degree: 124 credits

Undergraduate admittance to the Nursing program requires a minimum of a 2.0 GPA in classes from the transferring institution.

#### **Section III: Program Plan**

**PURPOSE:**

This agreement provides students who have earned an Associate of Arts the opportunity to obtain a Bachelor of Arts or Bachelor of Science in Psychology at CMU. Any MACC student who has earned an Associate of Arts is guaranteed that CMU will accept designated freshman and sophomore credits and will apply such to a Bachelor of Arts or Bachelor of Science in Psychology degree in a manner consistent with the treatment of native students.

**CONDITIONS OF TRANSFER:**

**Section I: Admissions and Matriculation**

MACC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as CMU native students enrolled under a specific catalog. Criteria for admissions will be based on the catalog year the student enters MACC.

Criteria for acceptance into CMU for transfer students are based upon their past academic performance and the admissions requirements for the Bachelor of Arts or Bachelor of Science in Psychology degree.

MACC, upon request of students, will provide verification of completed courses to CMU through its Admissions Office.

The transcripts of students transferring from MACC will be evaluated by the Admissions Office.

Transfer students from MACC will have access to financial aid and student services on the same basis as native students.

Minimum grade standards for academic progress and graduation from MACC will be subject to no further review by CMU. Similarly, minimum grade standards for admission, academic progress, and graduation from CMU will not be subject to review by MACC. CMU will apply the

same academic progress and graduation standards to MACC transfer students as those applicable to native students at CMU.

**Section II: Transfer of Credit**

A maximum of 88 credit hours will be accepted by CMU from MACC to be applied to the Bachelor of Arts or Bachelor of Science in Psychology degree. Students must complete 30 of the last 36 hours of courses in residence at CMU.

Undergraduate admittance to the Psychology program requires a minimum of a 2.0 GPA in classes from the transferring institution.
