RESIDENTIAL LIFE

As a residential university, the residence life program at CMU is vital to student life on campus. The residence halls are safe, comfortable, living environments that cultivate social interaction and personal growth.

LIVING ON CAMPUS

Each of the five campus residence halls offers a unique living environment. Each Hall is staffed with a Residence Hall Director (RHD) and a team of upper-class student Resident Assistants (RAs) to ensure that the residence halls provide a safe and comfortable living environment. The Office of Student Development will mail room assignments to CMU students between May and August. The assignment letter will include the name and contact information of your roommate as well as your residence hall and room number. You will also receive check-in directions and other important housing information.

ALL STUDENTS

How to... Get help in an emergency:

In an emergency situation, local emergency services (police, fire, ambulance) can be contacted at 911 or 660-248-2241 (local dispatch). A resident assistant and/or resident hall director are also always available for assistance at 660-888-8877. Campus Safety can be reached via phone at 660-202-0848.

How to... Get involved in campus activities:

Students are encouraged to get involved in campus activities. There are a variety of activities which appeal to the different needs and interests of students. Students interested in learning more about upcoming activities should contact Mark Stone, assistant dean for student engagement, at 58387, check out the Student Organizations webpage (www.centralmethodist.edu/student-life/clubs-organizations), or visit the CMU Event Calendar (calendar.centralmethodist.edu/).

How to... Find an on campus job:

Stop by the Career Development Center located on the second floor of the Student and Community Center or contact the office at 58255 to find out about available work-study jobs. Go online and fill out a work study application at the Career Development web page through Eagle JobNet.

How to... Check out a library book:

A valid CMU student ID card allows all students to check books out of Smiley Library. Students can also request books and articles from other libraries. Visit the library or call 54271 for details.

How to... Get a new student ID or fix a student ID card:

The Office of Student Development, located on second floor of the Student & Community Center, can replace non-working ID cards and lost cards. Students who lose or damage their ID card must pay \$10 to replace it.

How to... Get access to myCMU, Eagle Mail, or Handshake:

Every student has two accounts: Eagle account (email and network access) and myCMU (online course information, business office/financial aid information, etc.) The Technology Services Helpdesk is the only place to get password information. Their office is located on the first

floor of Cupples Hall. Password information will NOT be sent via email. New students are mailed their myCMU account information after making their deposit. In July, Eagle account information is mailed (and myCMU information is repeated in that mailing). Call the helpdesk at 56197.

How to... Get help with your Email or other computer issue:

The Technology Services Helpdesk is located on the first floor of the library building. They can assist you with email, phone service, and network access. Email them at helpdesk@centralmethodist.edu

How to... Get healthcare on campus:

The CMU Community Health Clinic, located on second floor in the Student Center, is open Monday through Wednesday from 8 a.m. to 5 p.m. and Thursday 8am to 3pm. Basic healthcare services are free to CMU students. To contact the Nurse Practitioner, call campus ext. 58285 or 660-248-6285.

How to... Find somebody to talk to:

College can be a difficult and stressful time for students. A counselor is available on campus to talk with you Monday through Friday. To make an appointment call ext. 58274 or ext. 58223.

How to... Change your classes:

An advisor must assist you with any changes to your course load. If you do not know your advisor's name, visit the Registrar's Office located on the first floor of Brannock Hall.

How to... Get help with classes:

The Learning and Teaching Center is located on the first floor of the library building. It is staffed by both professional staff and upperclassmen who are knowledgeable in most classes offered by CMU.

How to... Arrange for missing class:

It is your responsibility to contact your instructor if you need to miss class for any reason. Only in case of an emergency, contact the Office of Student Development, which will send a note to your professors. This, however, does not excuse you from any missed classes or work. Should you need to miss class due to college-related events or activities, you should make arrangements in advance of the event.

How to... Determine your class year:

Classification is determined by the number of semester hours you have

completed (it takes a minimum of 124 hours to graduate):

Freshman	1-29 semester hours
Sophomore	30-59 semester hours
Junior	60-89 semester hours
Senior	90 semester hours or more

How to... Pay a parking ticket:

Parking violators are issued parking citations (tickets) which can be paid in the Business Office. Citations will be charged to the student's account. Questions about parking should be addressed to Connie Hayes in the Office of Student Development (chayes@centralmethodist.edu or 58225).

How to... Eat in the Dining Hall (without a meal plan)

Fresh Ideas, the CMU food service, will credit \$30 to the "spend down" account of each student who deposits \$25 with them. As your ID card is swiped, meals are debited from that balance. More can be added at any time, in \$25 increments, at the cash register in the Dining Hall.

CENTER FOR LEARNING & TEACHING WRITING CENTER

- Departmental tutors when available;
- Professional tutoring in writing, mathematics, and education;
- Time management and study skills training;
- Other academic support resources

The Center for Learning & Teaching also provides special services for students with disabilities when those services are deemed as reasonable by the university. It is the responsibility of any student who wishes to claim a disability and seek an accommodation to apply through the Center and provide official documentation confirming the disability.

The Center for Learning & Teaching encourages students to form learning communities as a way to support each other and further their knowledge. The Center is open Sunday 3-11 p.m., Monday-Thursday 7:30 a.m. to 11 p.m., and Friday 7:30 a.m. to 5 p.m. The Center's office hours are Monday through Friday 8:00 a.m. to 5:00 p.m. Small-group study space is provided in the Center and throughout the library.

JAMES C. DENNENY, JR. CAREER DEVELOPMENT CENTER

The Career Development Center helps students develop the tools to successfully transition from campus life to professional life. The Center's website lists the services, events, and resources available for students. There is even a section for Parents!

Important resources for new students are the Focus2 assessment and the Myers-Briggs Type Indicator. Both help students learn more about their interests and personality, and to better understand the wide range of majors and degree programs that can lead them to their career path. Workshops and events are available to allow students to explore options and network with professionals and a professional staff member is available for individual appointments.

The Career Development Center is located in the Student Center on the second floor.

WORK STUDY POSITIONS

The work study program at CMU is a great way for students to gain relevant work experience. By working on campus, students not only earn money to assist with expenses, but have the chance to build relationships with faculty, staff, and other student workers. On-campus work study provides experience to include on a resume, job references, and a chance to develop relationships that will last a lifetime.

Work Study job openings are available on Handshake (CMU's job posting system) beginning at 8 a.m. August 1 of each academic year. All students may apply.

- Your schedule is available to the Eagle Store staff, and changes are easily accommodated. You can reserve your books by filling out the online reserve form.
- Final cost is tabulated and emailed to your CMU email account.
- Books will be ready for pickup in the bookstore anytime after you receive your email. Payment is due at that time. All books must be picked up before or no later than the first day of the semester.

BUSINESS OFFICE GENERAL INFORMATION

Central Methodist University offers payment options through Enterprise. Information about this service will be provided during the summer prior to enrollment.

- A student may not begin classes until tuition, fees, & room and board expenses are either paid in full; or the first payment is received, on or before the due date in the Business Office. See the Financial Readiness checklist.
- Registration, transcripts, and diplomas will be withheld due to an outstanding balance.
- All payments not received within 10 days of the due date will be assessed a monthly late fee of 2% of the remaining balance. There will be a \$30 charge for returned checks/electronic transfers.
- Student refunds from loans or outside assistance will be distributed on a weekly basis, this usually takes place each Thursday, the days can differ depending on the situation. We now offer direct deposit of your refund, this option can be selected under the student tab of your myCMU account. The Business Office will send notification to your campus email account once the check is available to pick up, if you selected the direct deposit option you will receive an email from NELNET letting you know your refund is processing.
- Book vouchers are available to students needing an advance on their refund to purchase books at the CMU Eagle Store. ALL financial aid/verification documents, including the Financial Aid Award Letter, must be finalized before the voucher will be available.
- Work-study checks are available on the 10th of each month. Students that have an account balance (not including accounts set-up on the eCashier payment plan) will not be eligible to receive their check until the account is paid in full.
- With identification, personal checks can be cashed in the Business Office. (Up to \$25 without charge)
- Freshman and transfer students that live on campus are required to have a 19 meal plan for the first year at CMU. All other students have selected their meal plan on the Room and Board Contract. Changes to your meal plan should be made with the Office of Student Development at 660-248-6267.
