

Student Ministry Award

Students that wish to activate their faith in a supportive and outward manner are invited to apply for the Student Ministry Award. This program features the opportunity for students to help lead ministry with students on the Fayette campus, interact with churches across the state, and develop leadership skills through service. The Student Ministry program believes that the constant study and profession of faith is an important part of leading and serving in ministry and seeks to challenge its members to live out this principal.

As members of the Student Ministry program, students will take on leadership roles that seek to engage and inspire fellow students and the community abroad to deepen their faith. Students that participate in the program will also be eligible to receive a scholarship award of \$2,500 each academic year. Leadership opportunities include: leading Bible studies, organizing fellowship events, assisting in engaging and planning domestic and international mission trips, coordinating engaging activities on campus, and more.

In order to be eligible for this award an individual in good academic standing with the university, must complete a CMU Student Ministry Application, complete a personal interview with the Director of the Center for Faith and Service and meet the following expectations.

Academic expectations

CMU Student Ministry students must maintain at least a 2.0 grade point average.

Service expectations

Student Ministry students will be expected to:

1. Meet weekly with other campus ministry student leaders and staff.
2. Serve in a variety of ministry related opportunities throughout the academic year.

Priority Deadline is January 20, 2015
