2020 Equity in Athletics Disclosure Act (EADA) Survey

The Equity in Athletics Disclosure Act is designed to make prospective students aware of a school’s commitment to providing equitable athletic opportunities for its men and women students. Any co-educational institution of higher education that participates in a federal student aid program must prepare an EADA report by October 15. Institutions must also report data to the U.S. Department of Education via this online survey. This is a mandatory survey.

Data collected in this survey will be published by the Office of Postsecondary Education on the Equity in Athletics Data Analysis Cutting Tool website located at http://ope.ed.gov/athletics. Click here to view our Privacy Statement. In addition, the data collected in this survey are provided by institutions in accordance with the EADA and may not be the same as data used for determining compliance with other Federal or state laws, including Title IX of the Education Amendments of 1972.
