

ARTICULATION AGREEMENT
BETWEEN
THREE RIVERS COLLEGE
&
CENTRAL METHODIST UNIVERSITY

OVERVIEW:

This formal program of articulation agreement is made and entered into by the Central Methodist University, College of Graduate and Extended Studies, hereinafter referred to as CMU and the Three Rivers College, hereinafter referred to as TRC. By this agreement, CMU and TRC express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures which assure articulation between programs, the institutions seek to assist students in making a seamless transfer from the associate to the baccalaureate degree.

PURPOSE:

This agreement provides students who have earned an Associate of Arts degree in Teacher Education (AAT) the opportunity to complete with CMU a Bachelor of Science in Mathematics with Certification to Teach at the Secondary Level. Any TRC student who has earned an AAT degree is guaranteed that CMU will accept designated freshman and sophomore teacher education credits, will accept all general education credits, and will apply such to the Bachelor of Science in Mathematics with Certification to Teach at the Secondary Level in a manner consistent with the treatment of native students.

CONDITIONS OF TRANSFER:

- Criteria for acceptance into the articulated program at CMU will be the same for the transfer as for native students.
- TRC, upon request of students, will provide verification of completed courses to CMU, CGES Office of Admissions.
- Transfer students from TRC will have access to an advisor, financial aid, and student services on the same basis as native students.
- Minimum grade standards for academic progress and graduation from TRC will be subject to no further review by CMU.

- CMU will apply the same academic progress and graduations standards to TRC transfer students as those applicable to native students at CMU.

SECTION II: TRANSFER OF CREDIT

A maximum of 88 semester hours of credit will be accepted by CMU from Three Rivers College to be applied to the Bachelor of Science in Mathematics with Certification to Teach at the Secondary Level. In addition, thirty of the last 36 semester hours of credit must be completed at CMU (residency requirement) to be applied to the Bachelor of Science in Mathematics with Certification to Teach at the Secondary Level.

Transfer students from TRC, meeting the criteria listed below will be accepted into the teacher education program at CMU. Admission into the upper level Education program is competitive; students must meet the minimum requirements outlined below to be considered, but that does not guarantee admission.

Criteria for Admittance to the Bachelor of Science in Mathematics with Certification to Teach at the Secondary Level Program:

- Completion of Professional Education courses with 3.0 GPA.
- Completion of all Content Area courses with 3.0 GPA.
- Completion of all coursework with a cumulative 2.75 GPA.
- All students must pass all sections of the MoGEA.
